Split Level Workstation

- Split Level Workstation is designed to be functional and versatile, ideal for personal workspaces, training rooms, or other group instructional settings.
- Features two 18" deep platforms, each independently height adjustable from 25.5" to 31.5" to allow comfortable positioning of a monitor without impairing visibility.
- Features a black powder-coated steel frame with gray laminate tops. Grommets provide cable management. Included CPU holders can be mounted on either the inside or outside of the frame.
- Has achieved GREENGUARD GOLD Certification.
- Pop-Up Grommet Outlet & USB Charger provides instant desktop power and charging accessibility.
