

Certificate of Conformance

It is hereby certified that all B&K Precision products conform to the specifications listed in B&K Precision's published datasheets and instruction manuals. Current datasheets and manuals can be located online at www.bkprecision.com.

Published specifications are subject to change without notice and it is recommended that customers refer to the B&K Precision website for the latest versions.

This certificate is valid only to the original customer (end-user) and is non-transferrable.
