# OUR BOOK & UTILITY TRUCKS ARE ROLLING OUT NEW FEATURES

At Bretford, we're always looking to improve our products and your experience with them. We've been making Book and Utility Trucks for 35 years, and we're still refining and designing better products.

Our **DURO**, **VOYAGER**, and **MAMMOTH** truck lines now feature **rounded handles** for easy, ergonomic transport, **deeper shelves** for improved storage, and **heavy duty casters** that make carrying large loads that much smoother. And all trucks still ship fully welded for maximum strength and durability. All you do is install the casters.
