

# Technical Information

---

Operator	Low Fail - <675k Pass - >750k to <8meg Fail High - >8.5meg ± 10%
----------	---

---

Condition	Safe - 1meg Fault - 6.5meg
-----------	-------------------------------

---

Power	110v (230v optional)
-------	----------------------

---

Visual Alarm	Green LED - Safe Red LED - Fault
--------------	-------------------------------------

---

Size	.88" x 1.75" x 1.25"
------	----------------------

---

Mounting	Screw
----------	-------

---

Standards	ESD TR53
-----------	----------

---

Color	White
-------	-------
