INTRODUCING THE JUICE MOBILE POWER

## ROOM KIT

Keep your classroom fully charged with the Juice Mobile Power Room Kit. An innovative solution that brings safe, flexible on-demand power to the middle of the classroom.

The Juice Mobile Power Room Kit comes with everything you need to keep a classroom of tablet and Chromebook devices powered all day long without draining your budget.

### The Room Kit includes:

- Juice Mobile Power Rolling Case
- Power Base (converts AC power to safe DC power)
- 12 ft. flexible power track
- 4 Charging pods with suction bottom for secure pod positioning
- 8 Charging adapter cords\*

BRETTFORD®

POWER EVERYWHERE. THAT'S OUR CHARGE.

# THE JUICE MOBILE POWER ROOM KIT *IN ACTION*

### Zero Infrastructure Costs

Eliminate the need for costly electrical infrastructure upgrades. Utilize one wall outlet and deliver active charging to an entire room.

### Unheard-Of Flexibility

Support thousands of configurations to meet your charging needs in any space. Use 6 ft. or 12 ft. charging track segments.

### Unmatched Safety

Juice Mobile Power is tested to meet or exceed ETL standards, ensuring the highest level of electrical safety and industrial design requirements.

### Choose from the following adapter cords:

- USB-A Lightning cords or Micro USB and USB-C
- Lenovo Yoga cords
- Acer, Dell, HP and Lenovo Barrel cords

*Devices compatible with Barrel cord option include: Acer Chromebook C740, Dell Chromebook 11 3180, HP Chromebook 11 G5 and Lenovo N23 Chromebook*
