Shipping

Ships fully assembled, ready to install devices.

Certifications

Secured

Dual-handle design for safe and easy mobility, and included cord winder helps keep the power cord neat and out of the way.

Safe

Pre-installed with CAT6 Ethernet cables, and a space for a rack-mounted, user-provided network switch.

Locking Casters

Easy-rolling 5" all swivel, two-locking casters for tight spaces, that when in fixed position, provide added directional control.

Organization

Full-access double doors in the rear of the cart, and removable plats with VELCRO straps help make cable management a breeze.

Cool

Power manager includes a temperature sensor that controls two cooling fans, helping keep devices at safe operating temperatures (MDMLAP32NR).

Power Manager

Sophisticated power manager continuously analyzes power requirements and efficiently charges devices in a round robin cycle—all from one 15 Amp electrical circuit.

Easy IT Administration

Full-access, double doors in the front of the cart for the user, and in the back of the cart for the IT Administrator.

Standard Color

Duotone finished in Concrete/Aluminum.

Safe

Designed with safety in mind to ensure safe operation, with the entire cart listed to UL 60950-1.

All-Steel Construction

Cart is constructed from prime steel, which contains 25 to 35 percent post-consumer recycled content and is finished with powder coated paint.

Options

Cart is available with 90 degree outlets
