

# PureCharge Cart®

First family of ready-to-go charge-only solutions from Bretford. Pre-installed Lightning cables and no-setup required make PureCharge a smart solution.

## Simultaneous Charge

Provides simultaneous charging for up to 40 devices.

## Optimized Cables

Cable clutter is eliminated through custom cables that are the optimal length for each slot and the right-angled Lightning connector makes it easy to connect devices.

## Secured Storage

Store devices along with headphones, keyboards and more; all within the same compact footprint (HGFN2).

## Model #

HGFN2 1 shelf, supports charging up to 20 devices

HGFM2 2 shelves, supports charging up to 40 devices

## Dimensions (W x D x H)

### Cart

36.3 x 21.8 x 38.2 inches

## Weight (without devices)

HGFN2 146 lb | HGFM2 154 lb

## Warranty

For more information, please visit: [bretford.com/warranty](http://bretford.com/warranty)

## Shipping

Ships fully assembled, ready to install devices.

## Certifications

### Options

Easy rolling 5" all-swivel, two-locking casters help navigate tight spaces and when in fixed position, provide added directional control.

### Eliminate Clutter

Cable clutter is eliminated through custom cables, designed to be the optimal length for each slot, and right-angled for easy connecting.

### At-A-Glance Status

Without removing devices from the slot, instantly determine which devices are fully charged via the individual charge status LEDs

### Secure & Protected

Devices are protected by all steel construction and a torque-resistant handle.

### Additional Storage

The top of the cart doubles as a work surface.

### Added Security

Wall-mountable locking system keeps cart secured in a room.

### Options

Available in two models, supporting charging up to 40 devices.

### Safe

Designed with safety in mind to ensure safe operation, with the entire cart listed to UL 60950-1.

### Pre-installed Cables

The pre-installed right-angled Lightning cables save you time. Simply plug in the cart and it's ready to go—right out of the box.

### Full-Rate Charging

Provides maximum charging rate, even while connected to your Apple devices.

### All-Steel Construction

Cart is constructed from prime steel, which contains 25 to 35 percent post-consumer recycled content and is finished with powder coated paint.

### Standard Color

Finished in Platinum
