

PureCharge Cart®

Ready-to-go charging for Apple iPad devices. Each cart arrives with pre-installed Lightning cables, reducing setup time so you can focus on device deployment for your business or school.

OPTIMIZED FOR APPLE

Pre-wired with custom Lightning cables that are optimal length for each slot with right angled connector that makes it easy to connect devices.

READY TO USE

The PureCharge Cart comes fully assembled ready to load.

SIZE MATTERS

Designed to optimize space, the PureCharge Cart maneuvers easily through standard doorways and can charge up to 40 iPad devices at once.

BUILT TO LAST

Each unit is fully welded. Designed and built in the USA.

OPTIMIZED FOR iOS DEVICES

FULL RATE CHARGING | Provides simultaneous, maximum charging rate to each device.

STATUS ON DEMAND | LED lights positioned over each device let users know when devices are fully charged and ready for use.

ERGONOMIC DESIGN | Features built in handles on both sides of cart and rubberized table-top surface for extra space. Includes accessory tote.

SECURITY | 3-point locking system with padlock.

INDUSTRIAL GRADE | 5 in. wheels with locking casters.
