

BRETFORD BASICS® ACCESSORIES/AV CART ELECTRICAL UNIT

E6
6-Outlet electrical unit with
cord winder for Bretford audio
visual carts

E6

FEATURES

- Electrical units quickly and easily attach to any steel Bretford Television Cart, Audio Visual Cart, Overhead Projector Cart, or Security Center without the use of tools.
- Features 6 electrical outlets with surge and overload protection and an on/off switch.
- 20' long, 14-gauge, 3-wire power cord with grounded plug lets you set up anywhere in the room and still reach your electrical outlets.
- Electrical mounting bracket doubles as a cord winder when the cart is not in use.
- Includes all hardware for mounting to carts and retrofits onto existing Bretford carts by using pre-drilled holes in the shelf.
- Power strip snaps onto mounting plate using four pem-studs and can be removed by sliding the unit left or right to release it from the studs.
- UL listed as Relocatable Power Tap for use in Canada and the United States.
