TCOREX36

3 Shelves

Supports charging from 30 to 36 devices

Ships fully assembled

Certified to UL 60950-1

Slot dimensions (W x H x D)
1.25"-1.5" x 10" x 17"

Cart Dimensions (W x H x D)
33.22" x 44.52" x 25.76"

Cart Weight: 175 lbs

1. Slot numbering bars allow for device organization and management.

2. Digital Timer system assures devices are charged quickly with one cord from cart to wall outlet.

3. Top of the cart provides a work surface and courtesy power for a laptop or other accessory up to 8 pounds.

FLEXIBLE

Adjustable dividers allow modification of slot size from 1.25" to 1.5" to support various sizes of devices and numbering bars keep devices organized.

PRACTICAL

Offered in either two shelves supporting 20 to 24 devices or three shelves, supporting 30 to 36 devices.

RELIABLE

Cart is designed and certified for safety, and the lock and sturdy solid steel construction keep devices secure.

MOBILE

Directional locking casters allow for maximum control during transport and offset locks protect walls and doorframes.

EFFICIENT

Digital timer system assures devices are charged quickly with one cord from cart to wall outlet.

HOW TO BUY

Bretford has a worldwide partner network with thousands of locations around the globe. Let us assist with product selection, purchase, and installation. Locate a Bretford partner in your area by contacting Bretford Customer Care at customerservice@bretford.com

CUSTOMIZATION SERVICES

Sometimes, a one-size fits all approach isn't the answer. That's where Bretford Customization Services (BCS) can help. Our BCS team will work with you to create a unique solution, designed around your needs. Need a different color? **We can do that.** Want to brand the cart with your logo? **We can do that too.**
