BRETFORD®

TECHGUARD CHARGING LOCKER

Features

1. Each bay provides sufficient storage, securing, and charging a laptop, tablet, and phone all at the same time. Each bay offers an AC charging outlet and two USB charging ports, capable of providing up to 2.4 A each. **2.** Each bay offers an AC charging outlet and two USB charging ports. **3.** Optional Jumpstarter Accessory Kit allows individual bays to be opened with the access and reset keycards in the event of a power outage

4.

5.

6.

4. The keypad lock is powered by the internal system and so does not require batteries. **5.** Clear-view windows and interior lighting enable monitoring of lockers in shared environments. **6.** Each TechGuard Locker includes two administration keycards for override access. The Access keycard opens the locker for inspection, but keeps the current code. The Reset keycard opens the locker and resets the current code.

 **Custom** Select custom finishes for a personalized piece.

Personalized Security.

Users secure their devices, set a personalized code and walk away.

SPACIOUS

Offers plenty of space to fit up to three devices, including a laptop, a tablet, and a smart phone.

SECURE

Devices are secured behind steel construction, a security-grade window and four-digit passcode.

INTUITIVE

Green LEDs indicate which bays are available. Red LEDs indicate which bays are locked.

VERSATILE

Choose from multiple models and mounting options to fit your needs.

⚡+ Accommodating.

From mobile phones to laptops, today's digital devices come in every shape, size, and configuration. With a spacious interior bay, 2 USB ports and a single AC outlet, TechGuard Charging Lockers are able to accommodate nearly every device and charging need.

HOW TO BUY

Bretford has a worldwide partner network with thousands of locations around the globe. Let us assist with product selection, purchase, and installation. Locate a Bretford partner in your area by contacting Bretford Customer Care at customerservice@bretford.com

CUSTOMIZATION SERVICES

Sometimes, a one-size fits all approach isn't the answer. That's where Bretford Customization Services (BCS) can help. Our BCS team will work with you to create a unique solution, designed around your needs. Need a shorter table? **We can do that.** Want to use a special laminate or fabric Bretford doesn't already offer? **We can do that too.**
