

Brilliant large-format displays

Make a big impact with Christie large format LCD displays. Available in a range of sizes, these discrete panels are perfect for applications such as meeting rooms, classrooms, corporate lobbies, digital signage and more.

Christie Access Series

The Christie® Access Series comprises budget-friendly, plug-and-play displays with professional features such as 4K UHD resolution, OPS slot, USB playback and 16/7 and 24/7 runtimes. With available touch capability, most Access Series models can provide an interactive solution for dynamic presentations, educational collaboration or engaging retail applications.

- › Available sizes: 55", 65", 75" and 86"
- › 4K UHD resolution for impeccable image quality
- › Feature-rich at an affordable price point
- › Choice of portrait or landscape orientation on select models
