

TRAK-IT

Sliding Board System

Claridge®

Trak-It's double-sided panels provide flexible communication tools for training rooms, meeting rooms and collaborative spaces. Trak-it panels are available with markerboards on both sides (specify MB-MB), tackboards on both sides (specify TB-TB) or markerboard on one side and tackboard on the other (specify MB-TB). Easy-to-rearrange, double-sided panels multiply communication space. Trak-It rail sold separately.

- Panels available in sizes up to 3' x 4' in portrait or landscape as specified
- Aluminum rail comes in 10' lengths
- Claridge LCS Porcelain surfaces accept magnetic accessories
- Mix or match markerboard and tack surfaces on either side of the panel
- Tackboards in Claridge Cork, Guilford, Carnegie or pre-approved COM fabrics
