

STORE & CHARGE CORE™ 18XL CART

Horizontal storage for laptops, a large workspace and choice of front or rear electrical placement.

Pictured with electrical in the front.

FEATURES

- Store and charge up to 18 devices, in individual horizontal compartments.
- Ships fully assembled and ready for use.
- Top shelf comes with a non-slip rubber mat and cart features two grommet holes at the back for cord management, allowing cords to be neatly wound and out of they way.
- Perforated doors, side and back panels allow for ventilation of equipment when charging to help reduce heat.
- Includes two UL Listed, overload protected, nine-outlet electrical units. LAP18EULBA-GM and LAP18EULFR-GM include a digital timer, providing the ability to charge all laptops using one 15 Amp electrical circuit. LAP18EBA-GM, LAP18EFR-GM, LAP18ERBBA-GM, and LAP18ERBFR-GM include two 20 foot cords, charging devices using two separate 15 Amp electrical circuits.
- Includes additional three-outlet, UL Listed electrical unit which attaches to the rear of the cart to power accessory devices.
- Constructed using an average 30% post-consumer recycled steel content and finished in environmentally friendly powder paint. Steel components are 100% recyclable at the end of the product life cycle. The Core™ 18XL has achieved GREENGUARD GOLD Certification and is UL 60950-1 Certified for Safety of Technology Equipment.
- LAP18EFR-GM and LAP18EBA-GM carts have been tested by TUV to UL 60950-1 Safety of Informational Technology Equipment. LAP30EULFR-GM and LAP30EULBA-GM carts have been tested by TUV and UL to UL 60950-1 Safety of Informational Technology Equipment. For additional information on UL 60950-1 and GREENGUARD GOLD Certification, visit bretford.com/certifications.

DETAILS

Two swivel and locking and two stationary 5" casters, allow cart to be rolled easily from room-to-room.

Cart features two overload protected nine-outlet electrical units, optionally placed in front or rear.

Digital timer rotates charging, allowing the ability to charge all laptops from one 15 Amp electrical circuit (included with LAP18EULBA-GM and LAP18EULFR-GM models).

Optional 8" soft rubber casters with locking breaks, are ideal for transporting over rough surfaces or between two buildings (included with LAP18ERBBA-GM and LAP18ERBFR-GM models).
