MULTIMEDIA PROJECTOR

D865W

Versatile Projector

The Vivitek D865W delivers exceptional digital images with a high degree of vibrancy due to 4,000 ANSI lumens of brightness and a contrast ratio of 5,000:1. Featuring native WXGA resolution the D865W is designed for a wide variety of applications. Light weight at just over 3 kg, the D865W allow for easy transportation between different conference rooms or external meetings. For easy installation, this device offers top-loading as well as a sliding cover for quick lamp replacement. The lamp life is up to 5000 hours in Eco mode, resulting in an attractive cost of ownership. Furthermore, the D865W has a sealed optical engine minimizing the impact of dust and smoke. The D865W projector features a broad assortment of

connectivity options to a variety of multimedia devices.

Features

- Native WXGA (1280 x 800) resolution with display up to UXGA(1600 x 1200)
- High Brightness of 4,000 ANSI lumens and high 5,000:1 Contrast ratio ensuring a crisp and sharp image
- Assortment of connectivity options for easy connection to a variety of multimedia devices (HDMI, DisplayPort)
- Direct 3D via HDMI port
- Top-loading, sliding cover for quick and easy lamp replacement
- Built-in 10W audio speaker
- Sealed optical engine, minimizing the impact of dust and smoke
- Security solutions include: Kensington® security slot, security bar, keypad lock
