Diversiboard MB (Marker Board)

Diversiboard Marker Board An industry FIRST, one-of-a-kind 100% steel panel surface designed for use in the classroom or boardroom. The Diversiboard "MB" or Marker Board, offers a GLOSSY surface perfect for any classroom or boardroom.

- + *Diversiboard is 100% steel, it will not warp like other dry erase boards!*
- + *Proprietary glossy white surface resists permanent marker which also eliminates ghosting*
- + *Mount over your chalk board to our patented **Diversitrack™** track mount system, our **Diversimount™** stationary system or flat to your wall!*
- + *It is frameless—fasteners are hidden for a very clean look*
- + *Add additional marker board space that can move to one side on **Diversitrack™***
- + *Deploy one or multiple 4x4 or 4x6 dry erase boards on the same **Diversitrack™** system OR in a "nested" configuration*
