Data Sheet

UDM45
Ultrasonic Distance Meter with Laser Pointer

The Amprobe UDM45 is the perfect ultrasonic distance meter for quickly measuring the area or volume of a room. The user can take single measurements or use the UDM45 to take continuous measurements. Either add two measurements together or enter distance values you measure to have the UDM45 calculate the area and/or volume.

- ■ **Quickly measure the area of a room**
- ■ **Laser pointer for easy targeting**
- ■ **Choose between feet or meter measurement results**
- ■ **Calculates area and volume**
- ■ **Adds together two measurement results**
- ■ **Measures up to 15m (50 ft)**

No hassle warranty

No waiting.

No shipping charges.

WARRANTY NO HASSLE PROGRAM

Our commitment to high-quality products and customer service is demonstrated by our industry exclusive "No Hassle" warranty. In the unlikely event that an Amprobe Test Tool requires warranty service, any of our local dealers are authorized to replace it, on the spot.

(note: $500 MSLP limit)
