

# AP20t Teacher Pen

Wireless Pen

formerly  
AVerMedia Information

## Product Description

AP20t is a ground-breaking slate alternative that works on virtually any surface without a bulky board or hefty price tag. With the next generation wireless pen not only do you have the comfort of a new pen design that is lightweight and ergonomic, but you can completely control any software on your PC or Mac from up to 50 feet away. The included rechargeable battery and cable will last for 5 working days, or 8 continuous hours of usage.
