Picture for reference only. Please check with your supplier for exact offers. All specifications are subject to change without notice.

STEP 1

Press the staple feeder downward and remove from its channel.

STEP 2

Load a strip of staples into the channel.

STEP 3

Slide in the staple feeder and push it upward to its locked position.

CAUTION:

- Do not hold the cable tacker toward people; it may result in serious injuries.
- Read instructions before use.
- Store in dry, locked place, and keep it out of reach of children.
- Don't staple to hardwood, the product can be used for softwood only.
