AMS Device Manager Handheld Interface Kit ⁽⁶⁾	
AMS Suite: Intelligent Device Manager Field Communicator Interface Kit (25 tags)	AW7005HC00025
AMS Suite: Intelligent Device Manager Field Communicator Interface Kit (100 Tags and above)	AW7005HC20000

(1) Can be used to support communication between the 375/475 and the Easy Upgrade Programming Utility or AMS Device Manager (with Handheld Communicator Interface Kit). Either IrDA or Bluetooth Communication is required to register the 375/475 or use the Online Licensing system.

(2) The System Card (SD) Reader allows a user the ability to upgrade a System Card much faster than they can when using IRDA or Bluetooth. Due to file size constraints, major upgrades require the use of a card reader.

(3) The Easy Upgrade feature allows the user to add new System Application software and Device Descriptions (DD's) to the 475 for a period of 3 years. To upgrade without this feature, the System Card would have to be sent to a Service Center. (fee would apply)

(4) These parts support license upgrades of System Cards in the field through the use of the Field Communicator Online Licensing system. The capability is available to end users and may also be performed by an agent on the user's behalf. It is at the agents discretion if an additional fee should apply. Any order must be accompanied by the System Card S/N. Instant notification of when the licenses are available for download are sent to emails provided at time of order. For further details, see the Online Licensing procedure at www.fieldcommunicator.com.

(5) The ReNew option is available on System Cards where the Easy Upgrade license has been expired for less than 90 days. Date of expiration can be obtained by interfacing the 475 with v3.0 (or higher) of the Easy Upgrade Programming Utility.

(6) Requires AMS Device Manager (6.2 or higher). Both AMS Device Manager and the Handheld Communicator Interface Kit are available for sale through select channels only. See www.assetweb.com for further details.

Pricing

The listed prices are effective with the date of issue and are subject to change without notice. All prices may be subject to F.O.B. charges from NoveMesto, SK or Knoxville, USA. The prices are exclusive of sales and use tax.

Shipping Weight (varies with options)

5lbs/2.3kg (based on 475HP1EKLUGMTS)
