

# Fieldpiece

Professional-grade  
instruments for field service

**Model SC52**  
**Dual Display**  
**Clamp-on Meter**

Display AMPS  
and VOLTS at  
the same time

- Non-contact voltage (NCV)
- Microamps ( $\mu$ ADC) for flame rectification diode test
- Data HOLD functions for each display
- Autoranging
- AC and DC volts
- Resistance (ohms)
- Continuity
- Diode check

Professional-grade  
instruments for field service

**Model SC53**  
*Dual Display  
Clamp-on Meter*

Display AMPS  
and VOLTS at  
the same time

- 400°F Temperature
- Capacitance to 4000 $\mu$ F (4mF)
- Non-contact voltage (NCV)
- Data HOLD functions for each display
- Autoranging
- AC and DC volts
- Continuity
