

# American Hakko Products, Inc.

## P R O D U C T B U L L E T I N

**Bulletin No:** PB092

**Issue Date:** January 27, 1999

**Product:** Omnivise™ for printed circuit boards or other small assemblies

**Part No:** C1390

**Specification:** The height to the bottom of the opening is adjustable from 2.5 to 3.5 inches, in 0.25 inch increments. The lock screw ensures that this Omnivise™ will hold that height securely.

**Comments:** Omnivise™ can hold anything in the horizontal plane. The full 360 degrees is available with no interference. This Omnivise™ is designed to hold printed circuit boards level while reworking them, but adapts easily to a myriad of tasks

**Accessories:** N/A

**Available:** February 15, 1999 (Tentative)

For pricing information, please contact your local American Hakko representative or our customer service department at (805) 294-0090.
