

Leica DISTO™ E7300

The original laser distance meter

Simply functional!

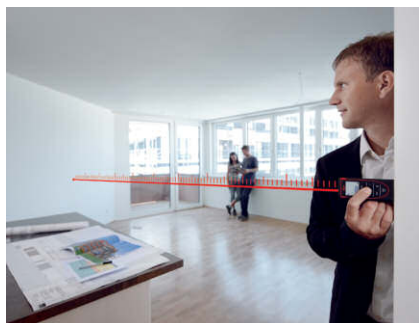

The compact and versatile E7300 has multiple functions and is easy to use. Addition, subtraction, area, and volume calculations are achieved with the touch of a button while the last 10 results are stored in the memory.

Leica DISTO™ E7300 – leave the measuring tape behind.

Features include:

- Power Range Technology™
- IP54 dust and water splash protection
- Illuminated 3-line display
- Automatic multifunctional end-piece

- when it has to be **right**

Precision at the touch of a button

For everything you need to be accurate – the Leica DISTO™ E7300 measures with an accuracy of ± 0.04in (1mm) or better than 1/16th in.

Small and handy

Thanks to its ergonomic and compact design with soft grip, the Leica DISTO™ E7300 sits securely in your hand, is lightweight and fits into any pocket.

Multifunctional end-piece

Whether measuring out of corners, slots or from edges, with this end-piece you are prepared for all measuring situations. The instrument detects the end-piece automatically, which helps you avoid expensive measuring errors.

Easy to read display

The results are shown on three lines. The display illumination means they can be clearly read, even in the dark.

Leica DISTO™ E7300

Technical Data

General	
Typical measuring accuracy	± 1mm or ~ 1/16"
Range	265ft (80m)
Measuring units	0.000 m, 0.0000 m, 0.00 m, 0.00 ft, 0'00" 1/32, 0.0 in, 0 in 1/32
Power Range Technology™	-
Distance in m	10, 50, 100 m
Ø of the laser dot in mm	6, 30, 60 mm
Protection class	IP54 – dust and splash water protected
Measurements per set of batteries	up to 5000
Batteries	type AAA 2 × 1.5 V
Dimensions	4.49 x 1.97 x 1.06 in
Weight with batteries	3.34 oz
Functions	
Min/max measurement	Yes
Continuous measurement	Yes
Stake out function	Yes
Addition/subtraction	Yes
Area/volume	Yes
Painter function	Yes
Pythagoras	2 and 3 points
Memory	10 Results
Illuminated display	Yes- 3-Line
Multifunctional end-piece	with automatic recognition
