

Lock 'n' Charge Wall Cages Snapshot

With an emphasis on build quality, easy functionality and school friendly design, the Lock'n'Charge 8 Bay Notebook Wall Cage has the capability to safely store, charge and secure almost any sized laptop.

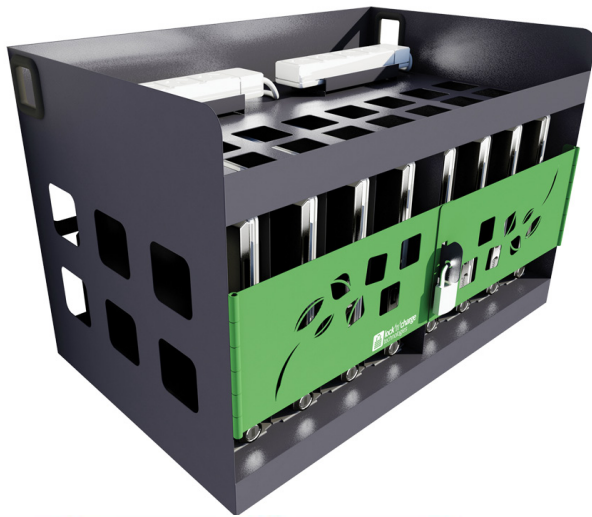

Due to the emerging popularity of Netbooks within the education sector, Lock'n'Charge Technologies have also developed a more compact 8 Bay Netbook Wall Cage. The wider bays featured in the Lock'n'Charge Netbook Wall Cage allows you to store and charge Netbooks with the wider batteries.

Backed by Lock'n'Charge Technologies' 10 year warranty, be assured that these wall cages are built to last. Install Lock'n'Charge Wall Cages into any classroom and transform it into a computer lab.

Extras

- **ECO Safe Charge™** – when you purchase two or more Wall Cages, Lock'n'Charge Technologies recommends you install an ECO Safe Charge™ power management system to help prevent power overloading, reduce energy bills, reduce carbon emissions and extend the life of your laptop's batteries.
