

Essential for iPad® deployments.

Lock'n'Charge Technologies

The iQ Sync Charge Box™ can sync up to 16 iPad® or iOS devices simultaneously. It can also charge 16 iPad® or iOS devices in approximately the same time it would take you to charge one.

Sync Charge Box™
iQ 16 SCB Sync Station™

Benefits

-  **Designed to be portable.** The iQ 16 SCB Sync Station™ is a hand held USB hub that can be carried to locations where iPad devices are stored.
-  **Sync up to 16 iPad devices at once!** Using iTunes® on your MacBook®, you can sync up to 16 iPad or iOS devices simultaneously with all your selected apps, books, movies, podcasts and music.*
-  **Free up time, people and infrastructure. Charge 16 iPad devices from one socket.** The iQ 16 SCB Sync Station™ charges your set of iPad or iOS devices at the full 2.1 amp rate, meaning that your iPad or iOS devices are fully charged in approximately the same time it would take to charge one**.
-  **Built to last.** The iQ 16 SCB Sync Station™ is constructed to last the distance. The solid outer shell protects the intelligent electronics inside.
