Fax: (732)-222-7088 | E-mail: sales@touchboards.com

Please note:

Specifications and images are for illustration purposes only. Final product may differ. iQ 16 Cart™ does not come with iPad® devices. Apple® Dock Connector to USB Cables, MacBook®, Apple®, MacBook®, iPad® and iTunes® are registered trademarks of Apple Inc.

\* Ensure you have licensed and/or have full legal permission to copy all content you seek to transfer to your devices. The time to sync all devices will vary and depend upon the amount of content to be transferred and the number of devices connected.

\*\* The time taken to charge all devices will depend on the amount of charge remaining in each device.

\*\*\* Standard USB to 30-pin dock connector cable included. Purchased separately these cables are valued at over \$300 as at 22/01/2013. Customers with Lightning connector devices will need to use the USB cables supplied with the device, or purchase separately multiple 30-pin dock connector to Lightning adapters in order to use the cables supplied with the selected iQ product.

## iQ 16 Sync Charge Box™ (iQ 16 SCB Sync Station™)

**Modular and mobile.** With the ability to remove the iQ 16 Sync Charge Box from the iQ 16 Cart, syncing and charging can occur almost anywhere, independently of the Cart.  
*Powered by Cambrionix.*

## Lightweight Carry Baskets

**Designed to go where others can't.** Stairs, rough terrain or want to split your set of iPad devices? It's easy with the light carry baskets.

- Aluminum construction so that it's both lightweight and durable at the same time
- Foam bays/ slots for maximum protection
- Receive 2 baskets per iQ 16 Cart
- Each basket can hold up to 8 devices

## Neat Cable Management

The iQ 16 Cart is designed to be as user friendly as possible, eliminating untidy cable management. The cables are routed through the back of the Cart so that you can easily connect your iPad devices.

## Lock it down

**Worried about the whole iQ 16 Cart going missing?** We've thought of that too. The Cart is equipped with an anti-theft security kit so that you can lock the whole Cart down. The kit consists of a wall mount, lock and pin that secures onto the handle of the Cart.
