Lock'n'Charge Technologies

Look no further, it's all here. The iQ 32 Cart™ is a complete, all in one solution that can sync, charge, secure and transport up to 32 iPad® devices.

iQ 32 Cart

Features and Benefits

-  **Sync up to 32 iPad devices at once!** Using iTunes® on your MacBook® and the iQ 16 Sync Charge Boxes™, you can sync up to 32 iPad devices simultaneously with all your favorite apps, books, movies, podcasts and music.*
-  **Free up time, people and infrastructure. Charge up to 32 iPad devices from one socket.** The iQ 32 Cart is equipped with two iQ 16 Sync Charge Boxes that can charge up to 32 iPad devices at once at the 2.1 amp rate, meaning that your iPad devices are fully charged in approximately the same time it would take to charge one.**
-  **Keyless entry eliminating the need for producing multiple sets of keys.** The iQ 32 Cart secures via a digital keypad. Set a unique 4 digit code and you're ready to go. If the code is forgotten, the master override key supplied will open the Cart and allow you to set a new code.
-  **More for less.** Includes 32 (30 pin) High Speed USB Cables FREE! Save \$\$\$.**
-  **Modular in design so you can implement your iPad program the way you want.** iPad devices are stored in removable and light weight iPad carry baskets. This benefits users as it means that you can carry pods of 8 iPad devices to designated learning areas safely.
-  **Not just a pretty face - Style meets functionality.** The iQ 32 Cart features two top loading drawers on both ends, so that the iPad devices can be accessed quicker, easier and by more users at once. There's even a slot available for your MacBook®.
-  **Built to last.** The iQ 32 Cart is constructed from a steel frame and a sheet metal shell, preventing an easy break in.
-  **Lock it down!** After a day of use, lock it all down in a designated area with the heavy duty anchor kit. The anchor kit prevents thieves from rolling 32 iPad devices out the door.
-  **Go mobile!** The iQ 32 Cart is designed to be mobile, so you can create an instant learning environment in almost any location.

Lightweight Carry Baskets

Designed to go where others can't. Stairs, rough terrain or want to split your set of iPad devices? It's easy with the light carry baskets.

- > Aluminum construction so that it's both lightweight and durable at the same time
- > Foam bays/ slots for maximum protection
- > Receive 4 baskets per iQ 32 Cart
- > Each basket can hold up to 8 devices

Neat Cable Management

The iQ 32 Cart is designed to be as user friendly as possible, eliminating untidy cable management. Each drawer features two cable routing channels so that you can easily connect your iPad devices to the Cart.

Keyless Digital Locking

No more lost keys, it works just like a hotel safe. The iQ 32 Cart took inspiration from the easy to manage and secure hotel safes for locking away your valuable devices. Punch in a 4 digit code and your devices are safe and secure.

Lock it down

Worried about the whole iQ 32 Cart going missing? We've thought of that too. The Cart is equipped with an anti-theft security kit so that you can lock the whole Cart down. The kit consists of a heavy-duty steel chain, anchor and padlocks. This Cart isn't going anywhere!
