

# MOBILE LED PROJECTOR

## EcoBright TL50W

### GREEN AND PC-FREE PROJECTION

EcoBright™

Share presentations wirelessly with included mini USB WiFi dongle

Capture low cost of ownership with maintenance-free, long-life LED light source

Built-in media and MS Office document viewers support PC-free playback of videos, presentations, documents and images

Project bright and detailed widescreen images of up to 180 inches from any HDMI or VGA compatible source

Slip the compact and full-featured TL50W into a briefcase or bag for truly portable projection

The TL50W brings together a compact design and vivid LED performance that will please mobile professionals and on-the-go presenters alike. This projector, which features 500 LED lumens brightness and WXGA resolution, delivers crisp, clear widescreen images of up to 180 inches. For added convenience, built-in MS Office and multimedia viewers support PC-free playback of videos, presentations, documents and images directly from the projector's memory, a USB drive or an SD card. HDMI lets users connect quickly to a broad range of output devices, while the included USB dongle supports wireless operation.

### CONNECTIVITY (May require optional accessories)

## MOBILE LED PROJECTOR — TL50W
