AWL1 • Firefly Wristlight™

The Firefly Wristlight™ conveniently puts light where you need it most, at your finger-tips. With adjustable application options, this is one of the most convenient lighting tools available. Designed to firmly strap onto your wrist, fingers, or tools, making the amount of application possibilities endless.

The AWL1 has the following features:

- Attaches to your finger, thumb or wrist
- Unique swivel chromed reflective head for maximum brightness
- Ultra-Bright LED lasts over 100,000 hours
- Comes complete with Velcro strap, and snap-on wrist band
- Three AG10 cell batteries included
- One year limited warranty
