

Weller®

Portable Soldering Backed By Years of Experience.

Battery powered soldering convenience.
Now from the brand your customers trust.

COOPER Hand Tools

It's simple, it's convenient, and it's from Weller®.

The new BP645 Battery Powered Soldering Iron is the perfect tool for typical around-the-home soldering jobs. Whether it's repairing a connection on a child's toy or fixing the wiring on a boat trailer, the Weller BP645 goes to where the work is with no power cord to worry about. It heats up fast, and has the power to get the job done. And best of all, it's from Weller, the most trusted name in soldering products for over fifty years.

- Powerful 6-watt/4.5-volt iron heats to working temperature in under 15 seconds
- 120 solder joints per set of (3) alkaline batteries
- Batteries, lead-free solder, and tip removal tool included
- Hundreds of uses... microelectronics, hobbies, small appliances, and more
- Replacement tips available
- 7-year warranty
