# Building on the strengths of Copernicus Teaching Easels

Combined with the functionality of the Interactive Smart™ Board 640 & 660, this easel incorporates many innovative features designed specifically for educators teaching young children. Combining the benefits of technology at the point of instruction (carpet learning).

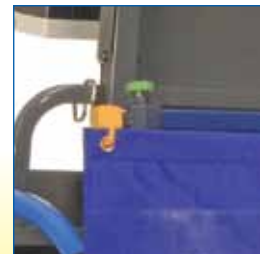

Sliding tubs for quick access to supplies

3" (7cm) casters with Foot-Activated Brake

Removable lined magnetic dry erase board (AC455)

Telescoping accessory hooks for pocket charts

Storage for Big Books

## Multiple Applications

- Compact size allows for whole class carpet teaching or small group instruction
- Presentations and lessons; particularly good for Language, Math and Science
- Center for independent learning with plenty of storage
- Demonstrations using on-line libraries and resources

## Curriculum Attributes

- Infuses technology throughout the curriculum, at the point of instruction
- Angled position of the Smart™ Board helps students improve writing and fine motor skills
- Encourages Group learning and interaction between student, teacher and technology
