

## MimioView

### DESCRIPTION

The MimioView™ document camera is expressly designed for interactive teaching. The system lets you capture and instantly share live video and images of dimensional objects and flat documents. MimioView technology integrates automatically with the MimioTeach™ interactive system and MimioStudio™ software, and is powered by a USB cable connected to your computer.

### PACKAGE CONTENTS

2M Micron camera, microscope adapter, 2 adjustable LED light sources, flexible gooseneck, “micro-B” USB connector (3 m/10 ft), MimioStudio software.
