Optional Accessories (all accessories are delivered unloaded)

MB-30	Replacement Battery Built-In Wireless Plug In Receiver
ACT-707HE	Wireless Handheld Transmitter
ACT-707TE	Wireless Beltpack Transmitter*

MA-101c / MA-107 Wired Handheld PA System

Compact only in size, this wired handheld portable PA with attached microphone can be hand carried, shoulder strapped, on a flat surface or mounted on a microphone stand. Like the MA-101a, it is ideal for any small outdoor/indoor location where good quality speech announcements are a requirement.

Frequency Ranges

The wireless microphones offered for the Portable PA systems come in three possible frequency bands:

Band	Freq Range	UHF Station Range
6A	620-644MHz	39-42
6B	644-668MHz	43-46
6C	668-692MHz	47-50

*Beltpack transmitter requires the purchase of one of the following microphones: MU-55L - Omni-directional lavalier MU-53HN - Cardioid lavalier MU-40G - Guitar Instrument Cable
