Introducing the **Engage WirelessLCD™** from uWriteTouch! With a 10.1" widescreen LCD display and built-in certified W-USB technology, teachers and students can engage with interactive curriculum and content from anywhere in the classroom. With little to no training, the Patent Pending **Engage WirelessLCD™** can make an impact on the learning process within a matter of minutes.

Point-to-Point Wireless vs. WiFi Connection

The **Engage WirelessLCD™** connects wirelessly to your computer from up to 30 feet via Point-to-Point connectivity! Point-to-Point wireless connection eliminates lag time, security risks, connectivity issues, and bandwidth load that are present with a WiFi connection.

Annotate with "Any-Touch" Technology

The lightweight design of the **Engage WirelessLCD™** product allows for touch-sensitive control using your fingers or any pen/stylus. With the **Engage WirelessLCD™** in hand, you can take control of your PC applications—annotate and highlight over important information.

Wirelessly Controls Dual Platforms

The **Engage WirelessLCD™** seamlessly integrates with new or existing technology. Once paired to a PC/MAC that is connected to a projector, you can display your digital content simultaneously. The **Engage WirelessLCD™** becomes an interactive presentation device.

Transmits High Resolution Video

The **Engage WirelessLCD™** is capable of transmitting DVD quality, full motion video wirelessly. Performance dependent on the computer's video card.

Specifications*

Screen Size	10.1
Active Display Area(mm).....	220.416(H) x 129.15(V)
Pixel Pitch (mm).....	0.215(H) x 0.215(V)
Number of pixel.....	1024x600
Brightness (CD/m ²).....	.250 (Typ.)
Contrast Ratio	500:1
Viewing Angle.....	-70~70(H); -50~60(V)
Synchronization Range.....	31.5~46.9KHz/60~75Hz
Display Color.....	262,144(6bits/color)
Resolution.....	1024x600@60Hz
Signal Connector.....	USB
Power Source.....	AC90-240v/50~60Hz
Power Consumption.....	.12 Watt
Touch Interface.....	LCD
Hot Keys.....	6
Battery Life	3.5 hrs. constant use 4 to 8 hrs. intermittent use

Wireless

WiMedia band group 1
PHY channel9-15
Distance:6M(dynamic) / 10M(static)

Accessories

Stylus, User manual, Adapter, Driver CD, Protective Case, Extended Battery, Wireless Keyboard
