

DynamiQ TeamSpace™

Height Adjustable Series

The DynamiQ TeamSpace™ is the first of AVTEQ's sit-to-stand furniture series. This collaboration center is similar to the TeamSpace Eco unit, but with this piece, you will enjoy the effortless flexibility of height-adjustability. Choose your favorite setting from standard height, bar height, standing or anywhere in between!

You can experiment with the full range of motion to find the best fit for your needs, take control over your own workplace wellbeing and increase your posture and productivity while you're at it! As with all AVTEQ products, you retain the freedom to choose the finish you like, and the features you need.

FEATURES

- Electric lifting capabilities with easy access controller with up to two (2) presets height positions
