DESCRIPTION

The EB-BASE is an Elliptical Floor Stand Base designed to be easily moved through narrow door frames and tight spaces while maintaining a high level of stability. It comes with leveling feet or casters. Flat panels can be mounted anywhere along the poles using the included PSD-HDCA Adapter, which attaches to the stand in less than a minute with the included tool.

FEATURES

- PSD-HDCA attaches to Premier Mounts' cart & stand configurations in less than a minute, and allows displays to be mounted to adapter before or after the PSD-HDCA is attached to the stand
- Includes PSD-HDCA Single Display Adapter
- Can be used with dual 60, 72 and 84 in. poles
- Elliptical floor stand can be used as a static stand or mobile display
