

The industry trendsetting Edupod™ is Oklahoma Sound's newest solution to 21st Century Classroom and Educational environments.

Incorporating both a lectern and a teacher's desk in one, the Edupod™ addresses the presentation challenges educators today face. The teacher or presenter can use the Edupod™ sitting or standing. Incorporating an attractive hammer tone grey steel cabinet with locking storage & adjustable height shelves, the Edupod™ Lectern cabinet connects to a gorgeous lightweight plastic blowmolded desktop in matching grey, mounted on a contemporary frame and leg system with modesty panel.

Preset the adjustable-height grey lectern top with metal bookstop to your personal comfort zone and height requirements. Wire management grommets on Lectern cabinet allow for use of technology equipment such as projectors, laptops or tablets, and built-in attractive mesh front provides venting to prevent overheating.

Includes six double wheel hooded, two-inch caster wheels; three locking, for portability.
