

Planar EP6514K

4K LCD Display

The Planar® EP6514K display offers best-in-class 24x7 reliability with the stunning image quality of 4K resolution. The Ultra HD 65" display has multi-source viewing capability, supports 4K @ 60Hz and can be oriented in landscape or portrait. It comes fully loaded with advanced features that matter most to digital signage and other commercial applications such as an expansion slot supporting Intel's Open Pluggable Specification (OPS) and built-in speakers. The Planar EP6514K delivers superior performance and reliability for demanding public venue, corporate, and control room operations
