

**REMOVE THE TARGET.**

**PROTECT THE TARGET.™**

**ESG105LXR**

**REMOTE CABLE CUTTER  
WITH CUT CONFIRMATION**

## DEDICATED TO PROTECTING YOU

The ESG105LXR was developed in unison with utility professionals, **creating a method to "remove the target" from the test area** when cutting electric cables.

Unlike overhead electric power distribution systems, underground, shielded electric cable systems cannot be visually traced back to an open point to ensure the cable is isolated.

# REMOVE THE TARGET. PROTECT THE TARGET.™

“Workers can now confirm, in a safer manner, that the shielded cable they are intending to work on, is free from energization. Use of Remote Cutting Tools and the associated processes take the worker out of the Line of Fire.”

— Kevin Kinnerk —

*Retired Standards & Methods Writer*

## RIGGING SET UP

- Dual point tie off at head and tool body
- Lifting harness (BTC3-LH)
- Lifting eye bolt (BTC3-LR)

## REMOTE CONTROL (BTC3GL)

- Bluetooth connection confirmation LED (BLUE)
- Blade position LED (GREEN)
- Audio feedback

## PAIRING THE REMOTE CONTROL

Check out our YouTube page to view the operational videos

# ESG105LXR

## REMOTE CABLE CUTTER WITH CUT CONFIRMATION

### TOTAL OPERATIONAL CONTROL

- Select between *Hand-Held Manual* and *Remote* usage options
- Double tap trigger operation protects unintentional blade engagement
- Mechanical break stops residual blade travel when trigger is disengaged

### CUTTING CAPACITY

- Flip-top jaw and guillotine style cutting head secures conductor
- Cutting capacity of up to 4.13"
- Cutting head rotates 350°
- LED level indicator on battery and built-in tool self-test confirms ability to complete cut

# ESG105LXR

## REMOTE CABLE CUTTER WITH CUT CONFIRMATION

ESG105LXR11

### SPECIFICATIONS

Head Rotation	350°
Height	13" (330 mm)
Battery	18V, 4.0Ah, Li-Ion
Weight with Battery	22 lbs (9.9kg)

### CAPACITY

Cutter Opening	4.13" (105 mm)
----------------	----------------

### KITTED CONFIGURATIONS INCLUDE

Bluetooth Remote Control (BTC3GL)

2-Point Lifting Harness (BTC3-LH)

Lifting Eye Bolt (BTC3-LR)

### ESG105LXR – REMOTE CABLE CUTTER WITH END-POSITION BLADE SENSOR

CAT NO.	UPC NO.	DESCRIPTION
ESG105LXR11	783310047759	105mm Remote Cable Cutter, 120V Charger, Two 4.0Ah Batteries
ESG105LXR12	783310047766	105mm Remote Cable Cutter, 12V Charger, Two 4.0Ah Batteries
ESG105LXR22	783310047773	105mm Remote Cable Cutter, 230V Charger, Two 4.0Ah Batteries
ESG105LXRB	783310047780	105mm Remote Cable Cutter, Bare Tool Only
BTC3GL	783310047711	Bluetooth Remote Control
BTC3-LH	783310047735	Bluetooth Remote Cutter Lifting Harness
BTC3-LR	783310047728	Bluetooth Remote Cutter Lifting Eye Bolt
