

Epson® and SMART® All-in-One System

Leaders in K-12 classroom solutions, Epson and SMART have joined together to create a new all-in-one interactive whiteboard (IWB) system, consisting of short- and ultra short-throw Epson projectors and SMART Board® IWBs with integrated projector controls.

Projected image simulated.

A fully integrated solution

Epson projectors are compatible with the SMART Extended Control Panel (ECP); control the projector power, volume and input from select SMART Boards. Mutually tested and certified for compatibility by SMART and Epson.

An excellent opportunity

Replace aging classroom projectors with new, high-quality Epson short- or ultra short-throw projectors.

Bright, vivid images that will engage any audience

Epson projectors offer up to 3x Higher Color Brightness than competitive 1-chip DLP projectors¹.

SMART Board M600 and 800 Series IWBs

Designed for the classroom, SMART Board IWBs include SMART Learning Suite, which features several software solutions that facilitate an engaging and interactive learning experience.

Channel-created bundles

IWB and ECP from SMART; projector and mount from Epson.

Option 1

Bundle select Epson projectors with a SMART Board® IWB system

Epson PowerLite® 530, 585W and 680 projectors for SMART

Specially designed to work with SMART interactive whiteboards, these projectors make the perfect partner for select IWBs that ship with SMART Learning Suite.

- Tested by both SMART and Epson for compatibility
- Features special firmware for SMART Boards, which allows the SMART ECP to control various projector functions
- Includes a 3-year extended warranty (total of 5 years) as well as a replacement lamp, a \$219 value
- The PowerLite 585W also includes the wall mount

Available from Epson

Projector Education Price*	\$969	\$1,399	\$1,110
Mounting Options			
Epson Wall Mount Part³	V12H706020 (optional)	Included	V12H777020 (optional)
Mount Education Price*	\$149	—	\$109
Adapter Plate for SMART Mount Arm	UF/65/70/75 Series Mounts V12H870001 \$89	Epson wall mount included	UF/65/70/75 Series Mounts V12H870001 \$89

Available from SMART Technologies

Required SMART Accessories	
SMART Power Supply and Cable Adapter Kit for Epson Projectors⁴	
Model #	SKU: SBPOWER-UGK-NA, Retrofit Kit, SMART Projector to Epson Projector
Retrofit Kit Price*	\$35

SMART Accessories must be purchased directly from SMART (authorized dealers only) or from Gilmore Parts store – 800-795-6661 or www.gilmore.ca/smartparts

*Pricing subject to change without notice. Consult your representative for pricing information.

¹ Color brightness (color light output) in brightest mode, measured by a third-party lab in accordance with IDMS 15.4. Color brightness will vary depending on usage conditions. Top-selling Epson 3LCD projectors versus top-selling 1-chip DLP projectors based on PMA Research sales data for Dec. 2015 through Nov. 2016. ² Color brightness (color light output) and white brightness (white light output) will vary depending on usage conditions. Color light output measured in accordance with IDMS 15.4; white light output measured in accordance with ISO 21118. ³ For PowerLite 530 and 680, select the Epson wall mount or the Epson-to-SMART adapter plate. Adapter plate allows Epson PowerLite 530 or 680 to attach to the SMART wall mount. If you do not use adapter plate, the Epson wall mount should be used. ⁴ Contains required power and cable adapters to connect the Epson projector to the SMART interactive whiteboard.
