

ELPLX03 Ultra Short-throw Lens for Epson[®] Large-Venue Laser Projectors

Projectors

Optional Lens

The flexible ultra short-throw lens for Epson Pro L25000U¹ and Pro L30000U projectors.

Project large images at a short distance — lens makes it easy to display larger-than-life images while minimizing shadows and light path obstructions

Flexible installation — .35 throw ratio, wide lens shift and zero offset for enhanced convenience

Perfect for space-constrained environments — ideal for narrow spaces, low ceilings and rear-projection applications

Engineered for versatility — bring bright, bold projection to locations where you previously could not utilize a projector

Mount point for optional ELPEC01 external camera — access powerful tools such as auto color calibration², screen matching of multiple projectors³, tiling assist⁴ for edge blends, and a stacking assist⁵ function

Unique zero-offset design — maximizes projected display size in low-ceiling applications

Compatible with Epson Pro Series projectors — works with Epson Pro L25000U¹ and Pro L30000U laser projectors

Large screen size — project 120" to 1000"

Convenient ultra short-throw design — .35 throw ratio: Vertical: +45% to +70% (H Center)
Horizontal: -15% to +15% (V Center)

Specifications

Type Powered: focus/distortion
F-Number 2.2
Focal Length 11.16 mm
Connector 32Pin

Other

Screen Size (Projected Distance)
120" to 1000"
Throw ratio: 0.35
Lens Shift Range (Based on lens shift center)
Vertical: +45% to +70% (H Center) (Powered)
Horizontal: -15% to +15% (V Center) (Powered)
Lens Shift Range (Based on home position)
Vertical: -5% to +20% (H Center) (Powered)
Horizontal: -15% to +15% (V Center) (Powered)
Operating Temperature 32 ° to 122 °F (0 ° to 50 °C)

Dimensions (W x D x H)

Ultra-short throw lens 14.96" x 13.39" x 8.27"
Weight 28.7 lb

Eco Features

RoHS compliant
Epson America, Inc. is a SmartWay[®] Transport Partner⁶
Recyclable product⁷
