StyleView SV41 Documentation Medical Cart

- Effortlessly maneuver the cart to the point of need—StyleView quickly responds to caregivers' touch and enables nurses to focus on their patients
- Truly ergonomic design accommodates the largest range of nurses and other caregivers; designed for sitting or standing with single-motion fluid adjustment helps promote caregiver wellness and productivity
- StyleView's small footprint, with ultra-smooth gliding casters, travels easily across crowded carpet or hard surface floors and is perfect for space constrained areas
- Open-architecture design accommodates most laptops—even widescreen with up to 17.3" diagonal size—easing future hardware deployments and upgrades
- Passes Ergotron's 10,000-cycle motion test, which ensures a minimum of five years trouble-free sit-to-stand height adjustment
