## **StyleView 42 & 44— Electric Lift Carts**

- Accessible solution reduces user forces with heavy cart loads or for caregivers with physical limitations
- Truly ergonomic design accommodates the largest range of caregivers whether sitting or standing to promote wellness and productivity
- Keyboard and display easily raises or lowers in one motion with a simple up-and-down switch
- LiFe battery power makes the cart extremely lightweight and easy to move
- Ultrafast recharge ensures caregiver and cart uptime while minimizing maintenance and replacement costs
- For patient and caregiver safety, the entire power system and the full cart are being certified to UL/EN/IEC 60601-1 and complies with EMI limits of FCC Part 15 Class A
- Ships fully assembled

With the simple push of a button, caregivers can thrive with 20" (51 cm) of adjustment between sitting and standing. The electric lift simultaneously moves the worksurface and keyboard faster and farther than competitor's electric carts for a comfortable, ergonomic fit.

**FASTER  
AND  
FARTHER!**

STYLEVIEW ELECTRIC LIFT CARTS TRANSFORM  
WORKFLOWS AND WELL-BEING FOR ALL CAREGIVERS

## STYLEVIEW™

Caregivers need flexible and innovative tools to thrive on the job, and they've turned to StyleView medical carts as a reliable partner. Built on decades of healthcare experience, these carts are easy to maneuver, offer top-notch ergonomics and deliver versatility to fit any shift.

This trusted portfolio can now reach a broader demographic of healthcare users by providing accessibility for all caregivers with an electric lift version. At the push of a button, users can enjoy a full 20" (51 cm) of sit-to-stand height adjustment that simultaneously moves the worksurface and keyboard faster and farther than competitors' electric carts.

## StyleView 42 (SV42)

Point-of-care documentation cart with electric lift

## StyleView 44 (SV44)

Medication delivery cart with electric lift

Powered with lightweight LiFe battery  
(Lithium Iron Phosphate)

- 1 Supports displays up to 24" (60,9 cm)
  - Worksurface adjusts 20" (51 cm) in tandem
  - LCD Pivot Arm adjusts 5" (13 cm) independently
  - Maximum LCD height adjustment = 25" (63 cm)
- 2 Scanner holder bracket
- 3 Spacious worksurface: 22,4"W x 19,75"D (56,7W x 50,2D cm)
- 4 SV44 Electric Lift carts include an auto-locking drawer system for simple and efficient medication management at the point-of-care. Security system stores variable-length PINs for up to 1,000 users with StyleLink™ SKY software
- 5 Back-tilt keyboard tray, wrist rest and mouse holder; four amber LEDs provide light over keyboard tray
- 6 With a simple push of a button, the electric lift provides a full 20" (51 cm) of sit-to-stand height adjustment
- 7 Rear storage basket keeps task-related items close for easy access
- 8 Three receptacle power strip located in the CPU storage compartment
- 9 Four 4" (10,2 cm) casters; two front casters are lockable
- 10 Wheel-to-wheel base dimensions: 15,5"x 17" (39,4 x 43,2 cm)

SV44 LCD Pivot cart with electric lift pre-configured with 3 single drawers

Durable, easy-to-clean exterior composed of aluminum, high-grade plastic and zinc-plated steel

Surfaces are treated with antimicrobial
