May 2007, Rev A

WELCOME

Thank you for purchasing your Zido Glove Box Holder!

If you have any questions or if we can help you in any way, please contact us at 800.325.3841.

PARTS LIST

Before beginning assembly of your Zido Glove Box Holder, please review the parts list to verify that your shipment is complete.

A 5/32" hex head driver (provided with your Zido cart) is required for this assembly.

Glove Box Holder		Quantity	Part Number
01	Glove Box Body	1	225-2629-00
02	Self-threading Screw	2	325-5464-00

STEP 1

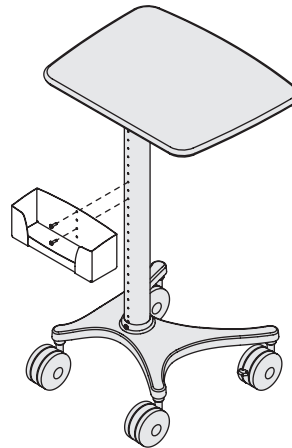

Select an Installation Point

- Select an installation point for your Glove Box. If you will install over a Shelf Bracket, go to Step 3. If you will install onto the Zido tube, go to Step 2.

STEP 2

Install the Holder onto the Zido tube

- Align the holes on the Glove Box Holder with the holes on the Zido tube.
- Secure using two self-threading fasteners.
Note: These fasteners are cutting the threads in the tube, so the first few turns will require some force.

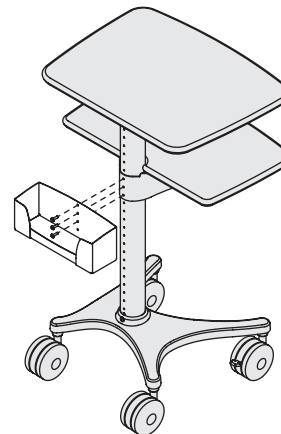

Congratulations! Your assembly is complete!

STEP 3

Install the Holder over a Shelf/Bin Bracket

- While one person holds the Shelf or Bin in place, another person carefully removes the fasteners from the Shelf Bracket and sets them aside.
- Align the holder over the bracket.
- Secure using the three self-threading fasteners.

CONGRATULATIONS! YOUR GLOVE BOX HOLDER ASSEMBLY IS COMPLETE!
