

# CAREFIT™

by ergotron®

## CareFit Enclosure

- Wall display: Fits most screens 24–27" with a black backing for a seamless background
- Save space: Low-profile design stays within 4" (10.2 cm) of the wall to fit tight spaces
- Add accessories: Unique T-slot makes it easy to attach accessories like a proximity reader or printer
- Extra workspace: Includes a mouse/keyboard tray with a removable worksurface
- Additional security: 10-digit lock code keeps patient data and technology secure
- Customizable look: Available in black or white with six interchangeable woodgrain laminate options

UNCOVER MORE SPACE TO PROVIDE LIFE-CHANGING CARE

Space is in high-demand in healthcare environments. With the CareFit Enclosure, you have more room to provide the best patient care. The wall-mount workstation lets caregivers work comfortably sitting or standing in crowded patient rooms or hallways. The low-profile design stays close to the wall and folds when not in use to open up more space. Patient data and technology stay secure with a lock code with up to 10 digits. Interchangeable laminate options let you customize the look to design stylish, healing spaces for your organization.
