ERGOTRON®

Highlights

For Computer Users

- Transform an ordinary surface into an ergonomic, height-adjustable computer workstation; realize greater comfort and increased productivity
- Enjoy the benefits of decreasing sedentary behavior, such as burning extra calories, toning muscles, improving posture, increasing blood flow and ramping up metabolism
- Keyboard and display(s) easily lift with a single, fluid motion using our patented ConstantForce™ Technology 
- Back-tilt keyboard tray ensures wrists remain in a proper ergonomic neutral position; includes large worksurface and keyboard tray

For IT and Facilities Staff

- Simply clamp WorkFit-S to the front of almost any surface; no need to hire professional installers
- Three models available to support light, heavy or dual monitors
- Open architecture supports your needs now and into the future
- Durable, easy-to-clean exterior composed of aluminium, high-grade plastic and powder coated painted steel

For HR/Risk Management

- Offer sit-stand workstations to employees to promote wellness and offer computing comfort

WorkFit-S Sit-Stand Workstation – White

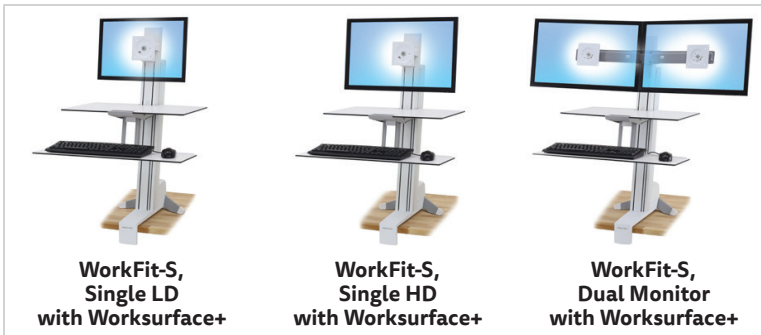

WorkFit-S also available in black

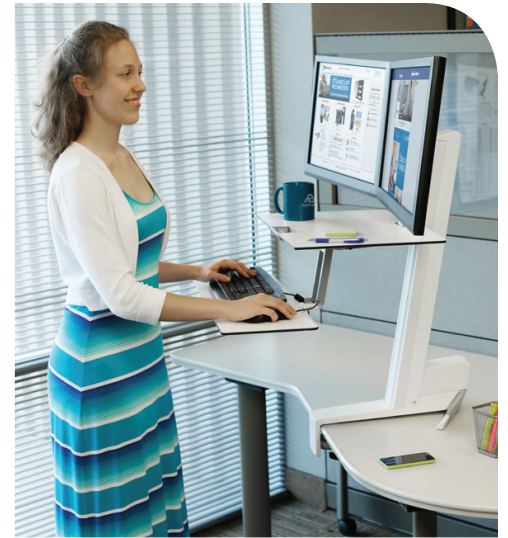

Sit and stand throughout the day for a healthier way to work!

Sitting for long hours in front of a computer at work or home? The WorkFit-S from Ergotron provides proper ergonomic positioning of your display(s) and keyboard to inspire a healthier, more productive sit-stand routine. WorkFit-S transforms almost any surface into a personalized height-adjustable desk to help computer users counteract the harmful effects of increasingly sedentary life and work styles.

- ① Easily clamps to the front of any surface .47-2.4" (1,2-6 cm) thick
- ② Lift range: LCD and keyboard tray adjust 18" (46 cm) in tandem; LCD adjusts 5" (13 cm) independently; maximum LCD height adjustment = 23" (58 cm)
- ③ Integrated large worksurface provides quick access to task-related and other items
- ④ Ergonomic, large keyboard tray adjusts 18" (46 cm); tray tilts back 5° to ensure wrists remain in a neutral position for increased comfort and productivity
- ⑤ Three models available to support a single light-duty display, a single heavy-duty display or two displays
