ERGOTRON®

The Peanut™ Mobile Cart for Laptops and Tablets

Highlights

- Space-saving slim size fits into small rooms and makes a mobile kiosk in hallways or show rooms
- Worksurface is 40" (101.6 cm) high, a comfortable standing height with an integrated round handle that won't aggravate your wrists
- The all-steel construction is powder coated so it's easy to clean and resists cracking and chipping
- Use the snap-on cable sleeve to organize and protect your cords and cables along the column
- Cart holds 10 lbs (4.54 kg) overall
- The Peanut for Tablets comes with

3 easy options to mount your tablet with the tilting tablet mount, VESA plate, "easel" and top-grip

The Peanut Mobile Cart for Laptops

The Peanut Mobile Cart for Tablets

*If all you need is a simple and steady place to place your laptop, Chromebook™, or tablet while on the go, **The Peanut** is the cart for you.*

Available in two styles: for Laptops and for Tablets. With a footprint of only 18" W x 17" D (45.72 x 43.18 cm), this lightweight cart is an easy choice when heavy-duty carts are just too much.

Put your laptop, device, or up to 10 lbs. (4.54 kg) of equipment on the move without the fuss of an overblown cart

The round handle on the 40" (101.6 cm) high shelf is comfy for your wrists to rest on

Move it effortlessly on the 3" (7.62 cm) twin wheel rubber casters (2 locking)

With 3 options to secure your device, The Peanut for Tablets allows you to position your tablet at eye level

Perfect for healthcare, inventory and retail

Use the snap-on cable sleeves to organize and protect your cords

Looking for extra security for your tablet? We have you covered. Ergotron's lockable tablet mount is the perfect solution. PN: 45-460-026 Works with most popular tablets, including Apple iPad Pro, iPad mini, Microsoft Surface and Samsung Galaxy
