ERGOTRON®

YES Basic Charging Cart

Highlights

- **Charge, store and transport up to 36 devices**
- Perfect for Chromebooks™, netbooks, Surface Pro and MacBook Air® — devices up to 14"
- Space-saving footprint: heavy-duty charge cart is just 23" x 23" (59 x 59 cm)
- This innovative cart is budget-friendly, especially when you factor in its flexibility
- Adjust the interior to fit your devices: raise and lower the Lift-N-Set Shelves and remove/adjust the Pop-N-Go Bay Dividers to create the right bay size
- Use it for years and years, even if you switch devices—and it comes with a lifetime warranty
- Devices stay secure behind the keyed locking front door, complete with a bracket for your own padlock and a two-point locking system.
- Simple power management system safely charges all your devices and sends a single cord to the wall
- Compact design maneuvers easily through crowded hallways and into tight spaces with 4" dual-wheel rubber casters (2 directional-lock for easy steering, 2 total-lock to keep it in place) and a wide ergonomic handle

Adjustable to fit your devices.

Priced to fit your budget.

Introducing a smaller, simpler version of our popular YES 36 Charging Cart.

The YES Basic Cart fits ALL shapes and sizes with screens up to 13" – and some up to 14" – with and without cases. Mix and match Chromebooks and Ultrabooks with tablets, e-Readers and hand-helds. It's completely up to you. The YES Cart truly is the last cart you'll ever buy.

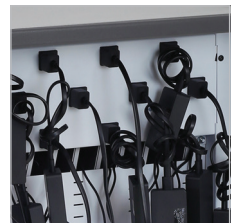

Adjusting the **Lift-N-Set Shelves** is simple and intuitive. Position them at any height in 2/3" increments.

Pop-N-Go Bays are so easy to adjust; simply pop them out of place and position them at any width in .3" increments

Mix and match devices — the interior is yours to configure.

The power outlets face straight back so they're easy to reach.

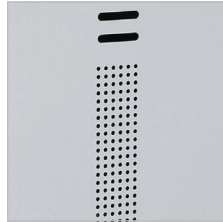

TAA Compliant

YES Basic Charging Cart

Position shelves at any height in 2/3" increments, and store your devices in landscape or portrait orientation.

Doors, side panels and interior panels are ventilated so that devices stay cool.

The Comfort Edge top surface has a lip to prevent items from rolling off.

Devices are secure with a 2-point locking system.

Heavy-duty 4" locking casters move smoothly over rough surfaces. The YES Basic is easy to steer thanks to two directional lock casters and two 5"-wide handle grips.

A spacious locking IT area in back keeps cables and power adapters protected and secure.

We say "YES!" to all your devices

Chromebooks • Netbooks • Tablets

YES Basic Charging Cart (grey metallic & polar white)	
Part Numbers	US/CA/MX YESBASGMPW4 (TAA Compliant)
Compatible Devices	Tablets, Chromebook, and devices of any thickness with ≤ 14" LCD size <i>(Verify device dimensions for compatibility)</i>
