# TRIUMPH-LX

ELECTRIC TABLE BASE

Height Adjustable  
From 26.1" to 43.4"

The *Triumph-LX* includes two motors allowing smooth height adjustment while supporting a broad range of worksurface weights. With adjustable cross channels, the table base can adapt over time with the changing technology and work tool needs of the user.

Designed to give users **flexibility** to **sit or stand** at their workspace with the touch of a button.
