

TECHNICAL DATA SHEET

Part#: 35-A-SE

Hemostats - 5" Straight - SS

The 35-A-SE stainless steel locking hemostat with straight jaws is clean room safe. The overall length is 5".

- Precision Level ★★
- Material SS (AISI 440)
- Surface Resistivity Conductive
- Shape Straight
- Group Hemostats/Clamps
- Weight (OZ) 2
- Tip Size (CTM)
- Tip Angle Straight
- Tip Length
- Body Width 2.53"(63.25mm)
- Body Height One Leg .185"(4.63mm)
- OAL 5" (125mm)
- Country of Origin Pakistan
- UPC 662847003776
- Schedule B 9018.90.80.00
- Harmonization Code 9018.90.80
- ECCN EAR99
- UNSPSC Code 42151685
